

## **Advanced Metering Infrastructure (AMI) Vendors**

Well Owners/Operators may choose to install AMI equipment from their preferred vendor provided the unit meets the AMI requirements specified in with [Resolution 2018-1](#). Fox Canyon Groundwater Management Agency must receive monthly AMI extraction data on all non-exempt registered wells per the [Fox Canyon Groundwater Management Agency Ordinance Code](#) Chapters 2.3.2 and 3.1.1. The following vendors have represented that their systems meet the Agency's requirements; it is the well owner's/operator's responsibility to assure that the installed system and monthly reporting is in compliance.
