FOX CANYON GROUNDWATER MANAGEMENT AGENCY

Arne Anselm

INTERIM EXECUTIVE OFFICER

A STATE OF CALIFORNIA WATER AGENCY

BOARD OF DIRECTORS

Eugene F. West, Chair, Director, Camrosa Water District Kelly Long, Vice Chair, Supervisor, County of Ventura Michael Craviotto, Farmer, Agricultural Representative Lynn Maulhardt, Director, United Water Conservation District Tony Trembley, Mayor, City of Camarillo

NOTICE OF MEETING

NOTICE IS HEREBY GIVEN that the Fox Canyon Groundwater Management Agency (FCGMA), also sitting as watermaster for the Las Posas Valley Basin and the groundwater sustainability agency for the Las Posas Valley Basin, the Pleasant Valley Basin, and the Oxnard Subbasin, will hold a **Executive Committee Meeting** at **1:00 P.M. on Monday, October 14, 2024** in the **Lower Plaza Assembly Room**, at the Ventura County Government Center, Hall of Administration at 800 South Victoria Avenue, Ventura, California.

EXECUTIVE COMMITTEE MEETING AGENDA

October 14, 2024 1:00 P.M.

Members: Chair Eugene West Vice Chair Kelly Long

- A. Call to Order
- B. Introductions
- C. Public Comments Audience members may speak about matters not on today's Agenda.
- D. Draft Agency Staffing Analysis Report Presentation and evaluation of the Draft Agency Staffing Analysis Report and opportunity to provide recommendations for any modifications.
- **E.** The Executive Officer Role Presentation and discussion on the FCGMA Executive Officer position, including a review of Resolution 2005-08 and an opportunity to provide recommendations.
- **F. Future Agenda Items and Next Meeting Date** The next Executive Committee meeting is tentatively scheduled for December 19th, 2024.
- G. Adjourn Meeting

STANDING NOTICES

The FCGMA Board and its less-than-a-quorum advisory committee groups, such as the Executive Committee, strive to conduct accessible, orderly, and fair meetings where everyone can be heard on the issues. The Board Chair will conduct the meeting and establish appropriate rules and time limitations for each item. The Committee can only act on items designated as Action Items. Action items on the agenda are staff proposals and may be modified by the Committee as a result of public comment or Board member input.

Public Comments – Public comment is the opportunity for members of the public to participate in meetings by addressing the Fox Canyon Executive Committee in connection with one or more agenda or non-agenda items.

If you wish to make a written comment, please follow the steps below.

- If you wish to make a written comment on a specific agenda item, please submit your comment via email by 5:00 p.m. on the Monday prior to the Fiscal Committee Special Meeting. Please submit your comment to the Clerk of the Board at <u>FCGMA@ventura.org</u>. Please indicate in the subject line of your email the agenda item number (e.g., Item No. 9). Your email will be read by the Committee members and placed in the record.
- 2. If you would like to make a general public comment (Item 4) for items not on the day's agenda or to comment on a specific agenda item as it is being heard, please submit your comment via email, limited to 250 words or less, to the Clerk of the Board at <u>FCGMA@ventura.org</u>. Every effort will be made to read your comment into the record, but some comments may not be read due to time limitations. Comments received after an agenda item will be made part of the record if received prior to the end of the meeting.

<u>Administrative Record</u>: Material presented as part of testimony will be made part of the Agency's record, and 10 copies should be left with the Board Clerk. This includes any photographs, slides, charts, diagrams, etc.

ADA Accommodations: Persons who require accommodation for any audio, visual, or other disability in order to review an agenda or to participate in the Board of Directors meeting per the Americans with Disabilities Act (ADA), may request such accommodation in writing addressed to the Clerk of the FCGMA Board, 800 So. Victoria Avenue, Location #1610, Ventura, CA 93009-1610, via emailing FCGMA@ventura.org or via telephone by calling (805) 654-2014. Any such request should be made at least 24 hours prior to the meeting so staff can make the necessary arrangements.

Continuance of Items: The Committee will endeavor to consider all matters listed on this agenda. However, time may not allow the Committee to hear all matters listed. Matters not heard at this meeting may be carried over to the next Board meeting or to a future Board meeting. Participating individuals or parties will be notified of the rescheduling of their item prior to the meeting. Please contact the FCGMA staff to find out about rescheduled items.

Electronic Information and Updates: Our website address is <u>https://fcgma.org/</u>. Information available online includes the Board's meeting schedule, a list of the Board members and staff, general information, and various Agency forms. If you would like to speak to a staff member, please contact the FCGMA Clerk of the Board at (805) 654-2014 or via email at <u>FCGMA@ventura.org</u>.

FOX CANYON GROUNDWATER MANAGEMENT AGENCY MEMORANDUM

Date: October 14, 2024

To: Executive Committee

From: Arne Anselm, Interim Executive Officer

Subject: Item D – Presentation and Evaluation of the Draft Agency Staffing Analysis Report

Background

This item follows your Board's discussion at the December 1, 2023, meeting on staffing needs of the Agency and the discussion at the January 12, 2024, meeting on Agency task prioritization. On April 24, 2024, your Board received a progress report on the staffing analysis project, which included discussion of the staffing levels needed to accomplish your Board's priorities. Following that an update was given on June 20, 2024, to the Executive Committee.

Work Tasks Prioritization

As presented to your Board, there are seven principal drivers of the Agency's work tasks: Board Meetings, Legislation and Regulations, Judgment and Litigation, Ordinances, Resolutions, Grants, and Board Direction. The staff's evaluation is that all work tasks listed are important, and most are urgent. While identifying a thorough list of tasks in each category it is an incomplete presentation of the efforts needed to fully run the Agency as strategic planning, supervision, and training among others are not identified.

Staffing Analysis

In response to your Board's request, a report on the staffing level needed to accomplish Agency work tasks was initiated and Hallmark Group contracted to analyze the Agency's staffing needs to accomplish its work, tasks, and responsibilities for two time periods: (1) May of 2024 through the end of December 2024, and (2) for Fiscal Year July 2024 – June 2025. This effort examens staffing needs from the perspective of your Board's identified task priorities, which are different from the way the Agency's work plan and budget have been prepared in the past. The task priorities matrix uses different categories to break down tasks (attached as Exhibit D1). The analysis includes efforts needed to comply with the LPV Judgement, and estimates for staffing needed to perform currently contracted services which do not require special technical or legal expertise.

Conclusion

Agency staff have been working closely with Hallmark Group to identify Agency tasks, responsibilities, internal administrative processes, and to develop estimates of time needed in each staff position to complete these tasks. A presentation on the identified task and the staff needed for the Agency to accomplish its work, tasks, and responsibilities will be presented.

Exhibit D2 - Hallmark FCGMA Staff Analysis Report

STAFF REQUIREMENT ANALYSIS FOR THE FOX CANYON GROUNDWATER MANAGEMENT AREA Revised: October 10, 2024

Scope of Work

Hallmark Group was contracted to develop a report analyzing the staffing requirements for the Fox Canyon Groundwater Management Agency FCGMA) tasks listed in the "FCGMA Work Tasks and Prioritization" table for the end of the calendar year (9-months) and a full 12-month period.

Hallmark Group identified additional tasks that are required to run and operate the FCGMA. Findings were presented to the Executive Committee (EC) on June 20, 2024, and the EC directed Hallmark to include those additional tasks in the staff analysis.

At the EC meeting on June 20, 2024, the EC requested that all third-party efforts (underway or planned) doing the work that FCGMA staff would perform if sufficiently staffed were included in the analysis, and Hallmark worked with FCGMA staff to ensure those hours were included in the analysis.

Staffing Analysis Methodology

Hallmark Group developed an excel sheet of the main tasks in the FCGMA Work Tasks and Prioritization sheet and identified subtasks to assist in creating detailed work hour estimates. Interviews were held with FCGMA staff to review staffing requirement assumptions and FCGMA supplied estimates for those subtasks that were rolled up to the task level shown in the FCGMA Work Task and Prioritization sheet and the additional tasks identified by the Hallmark Group and reviewed with the EC. Following the initial interviews, Hallmark Group reached out to staff regularly to receive additional information and further refine the analysis.

Hallmark Group requested staff provide estimates for tasks not initiated yet which are color-coded in blue. These include vacant positions and tasks not initiated by currently staffed positions.

Hallmark Group used its understanding of public agency staffing requirements to provide a qualitative assessment during staff interviews to develop appropriate task assumptions and in reviewing the final draft staff hours.

Report Considerations / Assumptions

- The estimates included in the report represent the hours necessary to operate the FCGMA, not the hours staff are currently working since historically, overtime is not tracked in the FCGMA system.
- The tasks listed in the FCGMA Work Tasks and Prioritization sheet do not include all the tasks required to manage and operate the FCGMA. Additional tasks were included for an accurate FCGMA staffing assessment.
- The analysis does not include indirect costs (i.e. office space, equipment, energy, or County overhead, etc.).

Exhibit D2 - Hallmark FCGMA Staff Analysis Report

• County overhead (fiscal service, and ancillary IT support, etc.) is outside this scope of work and was not calculated as part of this analysis.

Conclusions

The detailed FCGMA staffing analysis is provided as **Exhibit D3** and key findings are provided below.

- Currently, staff is performing a subset of the required tasks for the administration of FCGMA, and the full-time equivalent (FTE) of this task subset is approximately 15 employees.
- The estimated level of staffing to perform all the required tasks (unimitated tasks and the additional identified tasks) is approximately 20 FTEs.
- Using employee rates that include employee benefits and overhead, the estimated staff costs to perform all required FCGMA tasks is \$5.7 million.

Potential Next Steps

- Refine staff analysis to reflect input from the EC and/or the Board
- Perform additional analysis to include FCGMA indirect costs
- Prepare a report that identifies total costs for operation of FCGMA

FOX CANYON GROUNDWATER MANAGEMENT AGENCY MEMORANDUM

Date: October 14, 2024

To: Executive Committee

From: Arne Anselm, Interim Executive Officer

Subject: Item E – Presentation and Discussion About the FCGMA Executive Officer Role

Background

On March 8, 2024, Arne Anselm was appointed the Interim Executive Officer, superseding Resolution 2005-08¹, and continues to serve in this role. Previously, the Executive Officer was compensated on a fixed-cost basis of 25% of the Public Works Agency Director's fully burdened rate. Members of the Board have expressed the need for the Agency's Executive Officer to be filled as a full-time position committed solely to the management of the Agency. The FY 2024-25 budget includes a full-time Executive Officer at the fully burdened rate of Deputy Director which is consistent with the rate of the current Interim Executive Officer.

The purpose of today's discussion is to receive feedback regarding the role of the Executive Officer and the desired qualifications to assist the recruitment process to fill the Executive Officer position.

About the Executive Officer Role

As described in the Fiscal Year (FY) 2024-2025 Proposed Budget Report², the FCGMA Executive Officer (EO) role provides administrative leadership, research, and advisory services to the Agency, and acts as the main liaison between the Board, the public, and government agencies. The EO is charged by Board resolution with carrying out the duties, performing the functions and exercising the executive powers enumerated in the Agency's Ordinance code. The EO oversees Board agenda development and presentation; the role of the Executive Officer in the agenda process is to ensure agenda materials contain a thorough policy analysis (and if applicable, financial), review of alternatives, and contain an appropriate recommendation to enable the Board to make informed and reasonable decisions. The Executive Officer decides which items will be presented to the Board or a committee of the Board.

The Executive Officer also serves as the budget administrator, hearing officer, and chief of staff. Resolution 2005-08³ designates the Director of Ventura County Watershed Protection District as the Executive Officer and delegates the executive powers and duties required to carry out the purposes of the Agency.

Attached as Exhibit E1 is a document dated July 26, 2000, identifying the Authority, Responsibilities and Qualifications of the Agency Coordinator (now known as the Executive Officer, per Resolution 2005-08). Qualifications of the role begin on page 3 of the Exhibit.

Qualifications include, but are not limited to:

- 1. Credentials and education that include a degree in geology, hydrology, civil engineering, project and program administration or another combination of experience and education with an emphasis on water resources and water issues. Advanced degrees are desirable.
- 2. Experience working with elected officials, public agendas, the Brown Act, CEQA requirements.
- 3. Knowledge of the geology and hydrology of Ventura County.
- 4. Substantial contacts and established working relationships with other water agencies and staff in the water community, including local government and regulatory agencies.

¹ See Closed Session Item 2, "Public Employee Appointment:" <u>https://ventura.primegov.com/Portal/Meeting?meetingTemplateId=18461</u>

² <u>https://s42135.pcdn.co/wp-content/uploads/2024/09/Item-19A-FCGMA-FY-24-25-Proposed-Budget-Report.pdf</u>

³ <u>https://s42135.pcdn.co/wp-content/uploads/2022/09/Resolution-2005-08.pdf</u>

5. Proven management skills with an understanding of the problems of cities, farmers, water companies; the problems and limitations of consultants and contractors; knowledge of irrigation methods and practices; knowledge of evapotranspiration, collection of electronic weather data; experience in the construction, destruction, and operation of wells and pipelines.

Since these qualifications of the Agency Coordinator (now Executive Officer) were drafted in 2000, the responsibilities of the Agency have increased dramatically. Twenty-four years later, the Agency is now also a Groundwater Sustainability Agency (GSA) for the underlying basins with the authorities and responsibilities identified in SGMA including managing the basins to sustainability in 2040. Additionally, The Judgment for the Las Posas Valley Adjudication (Judgment) appointed the Agency as Watermaster to implement the Judgment in the Basin including coordination with the Policy and Technical Advisory Committees. With investment in multiple new monitoring wells, the Agency now owns and maintains significant infrastructure. Staffing levels have increased over the years, from 1.8 FTEs in 2005 to 14.2 FTEs today, and the Fiscal Year 2024-2025 budget is roughly 20 times the size of the 2005 budget. This increase in responsibility supports the need for the Agency's Executive Officer to exist as a full-time position committed solely to the management of the Agency.

Conclusion

A discussion and constructive feedback on the job description and qualifications of the Executive Officer role is requested to assist the recruitment process for a full-time Executive Officer. This memo has been reviewed by Agency Counsel. If you have any questions, please call me at (805) 654 3942.

Exhibit E1 – Executive Officer: Original Authority, Responsibilities and Qualifications of the Agency Coordinator, as of 07/26/2000

FOX CANYON GROUNDWATER MANAGEMENT AGENCY AUTHORITY, RESPONSIBILITIES AND QUALIFICATIONS OF THE

Agency Coordinator July 26, 2000

The Fox Canyon Groundwater Agency (Agency) was established by an act resulting from adoption of Assembly Bill 2995 and is now codified in Wests Annotated Codes, Water Code Appendix, sections App. 121-101 through 121-1105. The act contained mandatory actions that use term "shall". In addition to mandates, the act provided permissive authority, as identified by the term "may". In compliance with the mandates and permissive authority, the Agency Board of Directors (Board) has established policy by the adoption of ordinances and resolutions. The Agency Coordinator is responsible for the implementation of the policy and shall manage the administration of the Agency on a daily basis. The authority and responsibilities of the Agency Coordinator, as listed below, shall also include any special assignments of the duly elected and appointed Board. The Agency Coordinator shall insure that those decisions specifically designated for Board approval are referred to the Board for action.

Responsibility Based on Agency Mandates.

The Agency Coordinator shall:

- 1. Manage the implementation of the mandates and selectively manage the permissive authorities, which shall include the managing, planning, controlling, preserving and regulating the extraction and use of groundwater within the territory of the agency.
- 2. Determine the Agency boundaries and have the boundaries depicted on a map that shall be adopted by the County Board of Supervisors and thereafter recorded in the office of the county recorder. Any changes to the Agency Boundaries shall be brought to the Board of Directors for approval.
- 3. Collect data and conduct technical and other investigations of all kinds in order to carry out the policy of the Board.
- 4. Recommend wastewater reuse and other water development projects, where those projects will enhance and contribute to the responsible management of groundwater resources
- 5. Recommend an annual plan for implementation of groundwater management objectives.
- 6. Develop and implement a plan to control extractions from the Oxnard and Mugu aquifers with the objective of balancing water supply and demand in the Oxnard Plain of Ventura County by the year 2010.
- 7. Implement on an on-going basis the upper and lower aquifer management plan changes to control future excess extractions from the aquifer systems.
- 8. Manage conservation practices and extractions, recommend legal actions and the imposition of spacing requirements on new extraction facilities and/ or recommend the imposition of reasonable operating regulations on extraction facilities.

Responsibility Based on Adopted Ordinances.

The Agency Coordinator is responsible for the day-to-day management of the ordinance provisions. This responsibility includes but is not limited to:

1. Supervising, implementing, and interpreting the provisions of all ordinances. This responsibility shall also include carrying out the current version of all ordinance provisions that include the following:

Ordinance 1. Supervise the registration of all wells inside the GMA Boundary. Supervise

Exhibit E1 - Executive Officer: Original Authority, Responsibilities and Qualifications of the Agency Coordinator, as of 07/26/2000

the reporting requirements as required by the ordinance. Supervise the collection of extraction charges and the imposition of interest.

Ordinance 3. Enforce the requirements for meters as required by the ordinance.

- <u>Ordinance 4.</u> Enforce ordinance provisions for the North Las Posas Outcrop and expansion area that include the use of water and development on the Outcrop and expansion area. Approve permits for new wells in the Las Posas Basin.
- <u>Ordinance 5</u>. Establish, transfer and adjust extraction allocations and credits as permitted by the ordinance. Bring transfers of allocation and credits that are not within the Agency Coordinator's authority to the Board for consideration. Determine and maintain records of allocation and credits for each extraction facility. Implement the efficiency allocation system and supervise the installation and reporting of the necessary weather stations. Determine, bill and collect extraction surcharges and late penalties. Maintain records of all payments received for pumping, interest, surcharges and late fees. (Authority to waive interest on late fees was delegated to Agency Coordinator by vote on July 26, 2000)
- 2. Recommend changes to existing ordinances and new ordinances as necessary to protect the groundwater resources within the Agency.

Responsibility for the Management of the Agency.

- 1. Manage, supervise, train and coordinate Agency Staff in the performance of ordinance and mandate related functions. Prepare performance appraisals, set work hours, make work assignments, transfer and assign staff as necessary and appropriate.
- 2. Recommend promotions and disciplinary action. Engage and discharge extra help on a temporary basis within the approved annual budget.
- 3. Recommend award of consulting, construction and destruction contracts to the Board. Determine the specific functions to be assigned to the County for contract administration. Supervise the advertisement, bid opening and award of all contracts. Manage contracts after award by the Board. Approve partial and final contract payments and approve contract changes that individually do not exceed 10% of the total contract cost. Make a final contract report to the Board after contract completion.
- 4. Approve payments to county staff for incidental work within the annual budget.
- 5. Prepare annual budgets for the Board's approval of the expenditure. Approve expenditure of funds per the approved budget. Transfer funds as necessary between budget lines except to and from the budget lines for contracts and consultant services as long as total budget is not exceeded. Any individual expenditure that will cause the budgeted amount for a contract to be exceeded shall be brought to the Board for approval. This may not conflict with the authority to approve change orders that do not exceed ten percent of the contract price because contracts are generally authorized on a not to exceed basis.
- 6. The Agency Coordinator responsibilities for Public Meetings includes:
 - a Recommend the scheduling of meetings.
 - b Insuring proper notices of public meetings are made.
 - c Provide staff support at public meetings, and record the salient points in meeting minutes.
 - d Advertising new ordinances and the posting of ordinances in accordance with applicable laws.
 - e Determine agendas to assure that items of importance are heard by the board and endeavor to avoid placing frivolous items or items previously heard by the board on the agenda.
- 7. Order and approve payment for consumable supplies and permanent equipment that have been approved in the current budget.

Exhibit E1 - Executive Officer: Original Authority, Responsibilities and Qualifications of the Agency Coordinator, as of 07/26/2000

- 8. Draft and sign letters on behalf of the Agency that relate to subjects that are within the policy established by the mandates, ordinances, approved policies and at the direction of the of the Board.
- 9. Make initial grant applications with the understanding that final acceptance of a grant and/or the commitment of funds must be approved by the Board.
- 10. Interpret and apply the policy established by the mandates, ordinances and policy of the Board at meetings and hearings.
- 11. Represent the Agency in discussions with agency members, local, State and Federal Agencies.
