Allocation Ordinance for Agricultural Wells

Water Year: October 1, 2024 - September 30, 2025

FCGMA CombCode:

COMPLETED FORM MUST BE LEGIBLE

Agricultural Operators in the Oxnard and Pleasant Valley Basins **shall provide all APNs irrigated with: 1) groundwater from wells, 2) water received from purveyors, or 3) any other source,** in accordance with the Ordinance to Establish an Allocation System for Oxnard and Pleasant Valley Groundwater Basins, Article 7.1 for Agricultural Well Operators. This information is required to be reported at the end of each Water Year. List one APN and corresponding water sources per row. Should additional Water Sources require more rows leave APN field blank. List Irrigated Acres for each APN only once. Attach additional sheets as necessary. Fillable forms are available at FCGMA.org/public-documents/forms/. Assessor information is available at assessor.countyofventura.org/assessor-data/property-search/.
